

WAYS TO GIVE TO THE AMERICAN-SCANDINAVIAN FOUNDATION

Annual contributions help the ASF to sustain its 90-year-old mission to promote international understanding through educational and cultural exchange between the United States and Denmark, Finland, Iceland, Norway, and Sweden. Gifts to the ASF help to preserve the Foundation's unique spirit and ensure that it is positioned to remain strong for the future. More than ever, broad-based support is vital to the successful operation of all Foundation programs and activities.

- **CASH** Writing a check is the simplest way to make a gift to The American-Scandinavian Foundation. For income tax purposes, the gift is deductible to the extent provided by law.

- **PLEDGES** We ask that all annual pledges be fulfilled by the close of our fiscal year. Pledges to the Campaign for Scandinavia House: The Nordic Center in America may be paid over several years.

- **MATCHING GIFTS** If you (or your spouse) is affiliated with one of the many matching gift companies, you can double or even triple the dollar value of your annual gift. Please take a moment to check with your company's Human Resources office—it *will* make a difference.

- **GIFTS OF SECURITIES** Gifts of appreciated securities are always welcome and may offer significant tax advantages to the donor.

- **PLANNED GIFTS** There are several ways to make planned gifts to the ASF and obtain the tax benefits of charitable giving. The ASF welcomes the opportunity to review planned giving alternatives and approaches with you.

- **FOR MORE INFORMATION** on ways to give to The American-Scandinavian Foundation, how to transfer stock, or to discuss planned giving, please call the Development Office at the ASF, 212-879-9779.

ANNUAL SUPPORT

The generosity of the many individuals, corporations, and foundations who contribute gifts at all levels make it possible for The American-Scandinavian Foundation to fulfill its mission. There are a number of sources upon which the Foundation depends to meet its financial needs. The Inaugural Ball, Annual Fund, specific program support, and the ASF's family of restricted endowments have provided the resources necessary for the ASF to offer first-rate programming, support for scholarly research, and ongoing cross-cultural collaboration.

In the following pages, the Board of Trustees and the Staff of the ASF take the opportunity to thank the many donors for their continued commitment and support of the Foundation during the period January 1, 2000 through June 30, 2001.
