

MEMBERSHIP

Members of The American-Scandinavian Foundation are vital to our success. Their support enables the Foundation to fulfill its mission while the ASF provides members with many benefits that connect them to the Scandinavian world. There are more than 7,000 members and supporters throughout the United States and around the globe.

Members at all levels receive ASF publications (the journal *Scandinavian Review* and the newsletter *Scan*). They are also informed about Nordic events in their communities and are encouraged to participate in ASF-supported events across the U.S. Members in the New York area and those visiting the northeast are invited to spend time at Scandinavia House: The Nordic Center in America, where their ASF membership entitles them to free gallery admission; reduced admission to Scandinavian films, concerts, lectures and children's programs; discounts in the Shop; and invitations to events for all ages.

The American-Scandinavian Foundation is affiliated with 21 independent regional groups across the United States, and ASF members are able to participate in the many local activities presented by these organizations.

Young ASF Family Associate members enjoyed the Hans Christian Andersen Birthday celebration at Scandinavia House.

The ASF is grateful to its many members whose support at every level helps to make possible the Foundation's many rich and diverse educational and cultural programs. The Trustees and staff of the Foundation offer sincere gratitude to those members at the Contributing Associate level and above whose names are listed below with membership current during July 1, 2003 to June 30, 2005.
